My Holiday

I spent my last summer holiday in Seoul, South Korea. I went there with my friends. On the first day, I was landed at Incheon Airport around 7 AM after a 6 hours long flight. Then I went to Seoul by train and checked in to the hotel I already booked. I decided to take a rest for a while. At night, I went to Hongdae, a famous district in South Korea. I went to eat traditional Korean food. On the next day, I went to the Gyeongbokgung Palace and

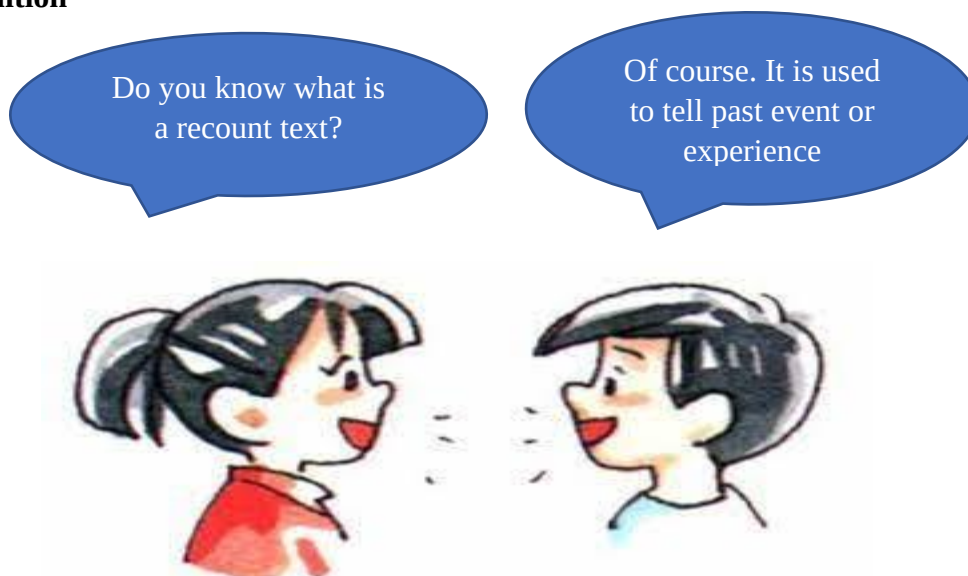

National Museum. I also went to learn how to make Kimchi and see the scenery of Seoul from Seoul Tower. I went back to the hotel at 10 PM and immediately went to sleep.

I spent my last day in Myeongdong and bought some stuffs and souvenirs for my family and friends. I also ate the street food there. I went to the airport at 3 PM because my flight was at 5 PM. I had a fantastic experience in South Korea and made wonderful memory with my friends. It was a great trip.
