

Master Guide: Professional Self-Introduction & Present Simple Mechanics

Bahasa Inggris 1 • Pertemuan 1

BAB 1. PROFESSIONAL SELF-INTRODUCTION FORMULA IN TECH INDUSTRY

In technical interviews and academic presentations, a professional introduction follows the **Present-Past-Future Formula**: State your current role (Undergraduate in Information Systems at Unindra), highlight your technical focus, and conclude with your aspirations.

BAB 2. PRESENT SIMPLE MECHANICS & SUBJECT-VERB AGREEMENT

// Formula: Subject + Verb 1 (s/es for He/She/It) + Object

- I develop database queries for academic management.
- The server **processes** millions of HTTP requests concurrently.
- He **analyzes** the algorithm complexity using Big-O notation.
